MEDIA RELEASE

9 November 2010

Supporting local charities this festive season

Federal Chisholm MP Anna Burke is encouraging Whitehorse residents to support local charities this festive season by purchasing Christmas cards from the Box Hill Lions Club Combined Charities Christmas Card Shop.

Operating out of the Box Hill Town Hall Hub, this is the fourth year the Card Shop has been in business, helping to raise much needed funds for several not-for-profit charities.

“The Card Shop is a fantastic initiative that provides a great source of Christmas cards for the community, while generating revenue for our local charities,” Ms Burke said.

The Card Shop is now open and runs until 16 December. The hours of operation are weekdays from 10am to 3pm, as well as three Saturdays – 27 November, 4 December and 11 December.

“This is a great effort considering the shop is run entirely by volunteers,” Ms Burke said.

“I encourage residents to think locally this festive season and do their bit to support our charities by purchasing their Christmas cards from the Card Shop,” she said.
